★

There is just no way to tell you how much your friendship means to me! I know we've had a few problems lately, but I'm really glad we've worked them out - I know those "little problems" will never come between our friendship again!! ★★ I'm so glad that we've become so close - I hope that graduation won't tear that closeness apart!! This summer has been "orne bā bi" ("ha, ha!") ★ because we made it that way! ★

★ REMEMBER

"one ba bi" - where did we ever get that one from? And also "we're so coo" - not cool, but coo! ★

We've had so many great times together - there is just no way to right them all down!! ★★ Camp - now thats one thing we'll always remember - "I need a Junior, now" and →

"Oh, we're in Kilgore in deep East Texas, and we're here to learn and dance to perform!" (ha! ha!)
how 'bout - "Juniors run!"
Now, our funnest one
"Cops or bust" - that one had to be the best of all!! - oh, and don't forget we'll ~~da~~ let Bronda handle that one!
- oh, remember all those guys that we'd see, ya know "those goons" - what was it we said - "

What a blast!

Thanx for all the fun times, and - I think you must have a hundred shoulders, cuz I know I've cryed on all of them!
Oh wait, I forgot one -
"D.P., The Big Date"

The last thing I'll say is
"You're the Greatest"
and I love ya!

Best Friends always,
Love ya,
Cathey

Janine,
I'm so glad we're in our last year here at Clear Old Mts. You'll never be able to realize how much our friendship means to me. I know we have our moments of real closeness, then we drift apart, but maybe we can make a point of making these times of closeness last. Good Luck in all your future endeavors. Stay close and remember we'll always be buddies as far as I'm concerned! God bless you!
I love you & treasure our friendship,
Kelley

Well babe, we have done it! We go such a long way back! When we were in 7th & 8th grade I never thought it'd be like this. We've been best friends a long time. At times we've been closer than others but no matter who ~~are~~ our best friends are now no one can have what we have- we got 6 years behind us and no one can take that away! Just think, in a year we'll be up north at college- Springfield is a long way from mesquite, but I've got many memories to carry with me! I can't believe it's almost all over! All the way from Pinto-power, to Cornered, to the "jam wagon!" We've been from breakdowns to break-ups! There are sometimes I wish we could go back to our younger days- Superman, TG swan, trying out for cheerleader, our first trip to Greenville Ave in my "Cowboy Cadillac" the our Summer of 10th grade where we weren't sure who we liked or what we wanted to do- Then this past Summer- "You go in!" "no! you go in!" No you go in!" Oh Brother- OK let's both go in but You pay- "no you pay!" oh and what about La Bare- our trip to Confetti's - What a bummer- Of course our classes for Stepping Out!!

# ADVERTISEMENTS

I think we could have made better decisions at times but I would never change a thing thats happened between-us- I cant-we you how special you are. Oh yeah! I just remember SKI TRIP! How embarrassing! Remember Snow drifts! "Jerry, help me!" We were such babies- What about the tree I got wrapped around- OUCH! Remember 3 words... Ooh! Remember our 10th grade year? You & Brad, Jerad & Darryl, me & Dony? That Sorry we were about them- speaking of Dingers- How about the times I was mad at you for about 3 hrs on the phone? Or what to get put on our license plate- We never found one! Oh yeah- Remember that we even got our first Jobs together! Can't forget Doskes* Oh all the "pretty women" yuk* You were stronger than me to stay there as long as you did- I could not handle it- Ol' Leda- We both know what the b* I would pay it! Genuine- we have many other things to look foward to this year- I know we aren't really as close as we used to be but I did think you're the best thing since socks- well

Well we finally made it, huh?! I know me & you are good friends and we also get along but I really hope we can become closer our Senior year. Let's just have a great time and may be we can spend some of the time together and we'll be able to look back and remember the fun we had. Have a great year!

Janine,
It's been good that We've known each other this long. I can't believe We're graduating, but it's here. Even though I've only known you for 3 years, it seems like 10 years. It was nice having you in Business Law and Sociology. I'll miss you Very much. Stay sweet for whoever you meet.

I've told you so many times

Each year
that seems to
pass, there seems
to me less and less
room taken up, or lack
of our annuals. Its almost as
if it were trying to tell us
something. Its really been a long way
back... all the way from recess in the
first grade to now... and in the twelfth
grade. alot of changes have been made in both of
us. along with dissagreements too. It always seemed
I fulfilled the position as the by stander rather than the
preceding role. I have no regrets, as I glance over the past
twelve years, only memories. - Even loosing you to Jana
as a best friend, was no regret - except for maybe I wished
[illegible]ould of been in her shoes at times. - but I knew Jana
[illegible] right step for you both. But apparently lines were
[illegible] because now, Cathy seems to have the
[illegible] its as only one of the crew; Janine,
[illegible] I'd be there, when I could, and
[illegible] I possibly thought I
[illegible] as... the
[illegible] our annual.
